Dr. Muhammad Umar Aziz

MBBS | Registered Medical Practitioner (PMDC)

PROFESSIONAL PROFILE

PMDC-registered doctor and MBBS graduate of Services Institute of Medical Sciences (SIMS), Lahore, with a full year of house job at Services Hospital, Lahore, a 1600-bed tertiary care teaching hospital. Trained across Medicine, General Surgery, Ophthalmology and ENT, with hands-on experience in emergency and acute care, bedside procedures and peri-operative management. Commended by supervising consultants for clinical reasoning, punctuality and communication. Also completed a six-month clinical attachment at Gambat Liver Transplant Centre, with exposure to ICU care, transplant work-up and follow-up clinics. Seeking a Medical Officer position to provide safe, efficient and compassionate patient care.
